ART WORKS BLOG

About Art Works

Art Works is the blog of the National Endowment for the Arts. Through Art Works we hope to enrich public understanding of what art is and how art works in our communities. Through artist interviews, spotlights on NEA-supported and other projects, guest posts, and other content, the NEA celebrates the diverse and dynamic landscape of the arts across America. The blog is updated with new content most weekdays, and we invite you to join us on our [Facebook page](#) and [Twitter feed](#) for even more fresh content. We also welcome your suggestions for projects and people to feature on the blog via the [Contact Us](#) page.
